TheAmericano Grande Thermal Mug breathes new life into thermal drinkware thanks to its fantastic selection of colours and variety of finishes. Whatever your colour scheme, you'll be able to find anAmericano Grande to complement your brand.

Manufactured in the UK from hardwearing double-walled polypropylene, the mug is virtually indestructible. Combine that with our high quality branding, and you've got a product your customers will keep and use for a long time to come. For added stability, the handle is moulded as part of the mug inner.

The mug is top rack dishwasher safe and BPA free. Why not add one of ourAmericano accessories, StixToGo, a perfect accompaniment. Additional costs apply.

Branding and artwork guidelines

Print	Position	Print Area (mm)	Type
1	Mug - Wraparound	228 x 73	SCREEN
2	Domed label to lid	40 dia.	PROCESS LABEL

Print Guidelines

Maximum Print Colours: 4

Pantone matched colours are achievable with screen print on this product

Fill In

Filled areas with detail reversed out are at risk of filling in. Detail should be no thinner than 0.3mm

Matt print

Due to the nature of the product it is very difficult to get an exact coated Pantone match. The finish will be more matt.
