The Americano Primo Mug is ideal for getting your brand seen on desktops, around the home or out and about. This British-manufactured mug has been designed to fit within standard vending machines and has a 250ml capacity. All of our Primo mugs are supplied with a silicone grip, which you can also print to, and a clip-on lid with a matt finish. The mug is BPA free and top-rack dishwasher safe.

Why not add one of our Americano accessories, StixToGo, a perfect accompaniment. Additional costs apply.
