

| Print Information | Artwork Advisory |
|---------------------------------|--|
| Process: Dye Sublimation | All dimensions are +/- manufacturing tolerances |
| Dimensions: 227 x 110mm | Text should be minimum 8pt to remain legible. |
| Colour(s): CMYK | Light text on a dark background will reproduce better if bold |
| | Please avoid placing critical matter (text, Logos, Borders) within these areas |

Any part of the artwork that shows white here on your proof, including text, logos and backgrounds to images will show as the silver of the product showing through. Dye sublimation uses CMYK ink and there is no white in this process. On a metal product the end result will be a metallic lustre effect.
